Subject: FW: Charging in PPL for the Gold King Mine Response

Hi Joe,

The account code for Gold King Mine Response has been added to the favorites of the employees listed below. I also have started a spreadsheet as you requested.

Hi Judy,

Below is a list of all employees that may need to charge to the current response. Please ensure the site is added to their favorites...

Thank you

Subject: Charging in PPL for the Gold King Mine Response

Per Martin Hestmark conversation, he is letting anyone who works on the response charge to the special accounting string attached to this response. Please give Gina Cristiano or Craig Myers a call if more details are needed. The accounts will need to be put into their account code favorites in PPL. The list will grow as some of the water folks are not down here at this time.
